Dear CiHRG Member,

It's that time of year to renew your Central Illinois Human Resources Group (CiHRG) annual membership!

Support the Professional. Advance the Profession. This is our Mission! What I think makes CiHRG such a great group is our focus on **PROGRAMMING and NETWORKING**. Our board is working hard at bringing top speakers to our monthly meetings as well as supporting time at each meeting for opportunities to **NETWORK** about current and future human resources topics.

The outgoing board has done a tremendous job this year and the 2009 incoming board will be working on great ideas such as actively reaching out to our community in efforts to **increase membership and share our skills and knowledge with future human resources leaders**.

But CiHRG cannot do it without its member volunteers. There is always plenty of room for new ideas, if you would like to share your ideas, please do not hesitate to call me!

Renewing your CiHRG membership will allow you to gain access to:

- HR professionals and companies in your community. This will create a **NETWORK** for you to tap into when gathering information on how other local organizations handle various human resources situations, procedures, policies, etc.
- Local professional development opportunities to improve your HR competencies and advance yourself professionally.
- Up-to-date information on pending federal and state legislation that may impact your company's operations.
- Detailed, updated information on state and local labor market conditions and issues.
- The opportunity to obtain PHR/SPHR/GPHR recertification credits for attending chapter programming that qualifies for HRCI credits.
- Leadership skills development opportunities. You can take on a volunteer leadership role in a local chapter, for example.

Thank you for your membership!

Sincerely,

Tammy Hoggatt, SPHR
CiHRG President
